## **My Life Has Changed!**

Kennedy came to Purdue to play on the Tennis Team and make a difference. Little did she know that God would use her time at Purdue athletics to make a difference in HER life. Kennedy has been a part of Purdue FCA during her time in Boilermaker sports. She was a faithful attendee to the weekly Huddle and participated in one of the Purdue FCA mission Trips to Bethesda Outreach in South Africa. The Lord is now taking her to new adventures and she leaves with a firm foundation in her love for Jesus and desire to spread the Gospel of Grace.

***"I am so thankful for having had the privilege to be a part of Purdue FCA. I loved getting together weekly to study the Bible. My relationship with Christ has been transformed so much the last two years. Through FCA I learned how to 'walk worthy', as Marty says, and be a God fearing and loving Christian. I am forever grateful that God put Marty and Brenda and Purdue FCA in my life in the right place at the right time. My heart is overflowing with thankfulness for God's kindnesses to me."***

## **Bible Distributions**

Continue to pray for those who receive one of our Bibles and other books we share. Pray that the Word will go forth into hearts and lives to transform people by God's grace and mercy.

## Pizza and Accountability

We met to plan our summer accountability times. Reading the Word and sharing God's workings in and through us all each week will be a huge part of our Purdue FCA summer. **PRAY** that these meetings will produce fruit in the lives our Purdue athletes. BoilerUP!
