

1 March 2025

Dear Support Team,

Once again, we are happy to come into your homes and share how God is working in our ministry.

Thank you for your prayers for us! We have just returned from the first annual missions conference of FBM held in Florida. We had a wonderful time of fellowship in the Word and with our missionary family. We weren't as cold as you were, but it wasn't "traditional" Florida weather either.

Travel seems to be the theme for the first few months of 2025. We leave once again, for Washington, DC and into Tennessee from 5-15 March. 30 March – 2 April I'll be in Ohio for training with the Ohio Crime Prevention Association and then from 17 April – 5 May Hope and I will be in Seoul, Korea, assisting our daughter who teaches there. When we get home, the rest of May will hold graduations for two grandchildren and memorial services for the various police agencies with whom I minister.

We mentioned a young couple in our last letter. Please continue to pray for them. They are not married and there is a baby in the relationship. We rejoice in their salvation and growth; however, there are significant challenges we are working through with them. He was baptized in January, and she has asked me to baptize her this Sunday, 2 March, at the church they are attending. Praise the Lord with us as we disciple these young babes in Christ.

We do not take for granted your faithful support through prayer and finances, and we are encouraged by both!

It is our prayer that God will continue to encourage and bless you as we continue to serve Him together!

Blessings,

John & Hope

Psalm 34:3
